2020 Star City BaconFest Canceled

Lincoln, Neb. (June 29, 2020) Due to the COVID-19 virus and the complications it presents for large gatherings, the 2020 Star City BaconFest has been canceled. The Nebraska Pork Producers Association along with the Nebraska Restaurant Association are disappointed in this outcome but feel that not only for the event audience, but also the 20+ participating restaurant vendors, it is the responsible path to follow.

They look forward to selecting a new date for some time in April of 2021 and hope attendees will consider joining them for this fun (and delicious) event at that time.

The Nebraska Pork Producers Association is a grassroots, incorporated, nonprofit organization established in 1961. NPPA was developed to promote the pork industry through the enhancement of consumer demand, producer education, and research. For more information, visit NPPA's website at nepork.org.
